

Supporting Western Pennsylvania's Construction Industry  
Through Legislative Action for Over 45 Years

August 24, 2019

Dear Colleague:

The Construction Legislative Council (CLC) requests your support through membership in Corporate Legislative Sponsorship. CLC is a multi-discipline coalition of 14 construction industry organizations, representing the interests of thousands of contractors, architects, engineers, owners, and material suppliers from Western PA. Our primary purpose is to advance an informed dialogue with elected leaders and policy makers who will advance the economic and political interests of our industry.

Our Goal is to promote the legislative interests of Western Pennsylvania's construction industry by actively participating in the legislative process. The CLC's Mission is to present a unified voice in government regarding legislative matters of concern to the entire construction industry.

Your contribution (see levels below) will ensure that your company will play an active role within our construction community and help to strengthen our participation in the legislative process. Your contribution entitles you and your company to the following benefits;

- **Gold Level - \$400**
  - Allows your Company to send one representative to our Monthly CLC Meetings (held on the third Friday of every month with a special guest speaker)
  - Acknowledgement at the Annual Spring CLC Legislative Dinner with your Company's Logo
